

Investing for Success

Under this agreement for 2016 Ipswich West Special School received

\$47,455*

This funding was used to:

- Implementation of all Four Blocks as a pedagogy for the teaching of reading and writing
- 100% of students captured in literacy data and recorded on OneSchool
- Increase students' reading levels
- 100% of student English and Mathematics levels in the Australian curriculum accurately recorded in ICPs and reported on
- Purchase highly engaging low level texts

Our initiatives included:

- Implementation of relevant literacy tools to capture data on all students : Professional Development – Literacy data tools (PM, The Bridge, Concepts about Print, Communication Matrix)
- Implementation of Instructional Coaching model
- Jane Farrell Professional Development – SFD
- Development of IWSS Curriculum framework
- Training in Highly Individualised Curriculum and Different Year Level Partial - Individual Curriculum Plan development for all teachers including analysis of data to inform curriculum decisions
- School membership of the Special Education Curriculum Cluster which included participation in Professional Learning Communities for Highly Individualised Curriculum and Different Year Level partial
- Peer Coaching Model Training
